

RESOLUTION NO. 16-62

A RESOLUTION OF THE DRAPER CITY COUNCIL AUTHORIZING THE PURCHASE OF EQUIPMENT FROM THE TRAVERSE RIDGE SPECIAL SERVICE DISTRICT

WHEREAS, the Traverse Ridge Special Service District (TRSSD) owns several pieces of equipment that Draper City is interested in purchasing;

WHEREAS, Draper City and the Traverse Ridge Special Service District Administrative Control Board have entered into an interlocal agreement that describes the shared use of the TRSSD equipment which, Draper City would like to simplify;

WHEREAS, Draper City had two separate equipment companies complete appraisals on the proposed equipment in Exhibit A and is willing to offer \$230,000 for the purchase of said equipment;

WHEREAS, the Traverse Ridge Special Service District Administrative Control Board held a meeting on October 5, 2016 and accepted the offer from Draper City for \$230,000; and

WHEREAS, Draper City will hold a public hearing to amend the 2016-2017 budget for the purpose of authorizing the purchase of the equipment listed in Exhibit A.

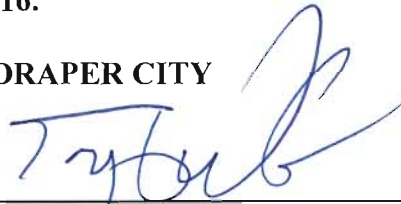

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF DRAPER CITY, STATE OF UTAH, AS FOLLOWS:

Section 1. Authorization to Purchase Equipment. The equipment described in Exhibit A is hereby authorized to be purchased from the Traverse Ridge Special Service District.

Section 3. Effective Date. This Resolution shall become effective immediately upon passage.

PASSED AND ADOPTED BY THE CITY COUNCIL OF DRAPER CITY, STATE OF UTAH, ON THE 18th DAY OF OCTOBER 2016.

DRAPER CITY

Mayor Troy K. Walker

Ms. Amy Baird
Traverse Ridge Special Service District
2181 Village Vista Dr.
Draper, UT 84020

Dear Ms. Baird,

As you know, the TRSSD owns several pieces of snow removal and other equipment that Draper City employees use in completing their jobs both within the TRSSD and Draper City. Previous agreements have been made to determine how the cost for the use of this equipment is tracked and paid for. Although this system has worked, it requires detailed tracking of equipment and hours used utilizing this equipment to ensure that the TRSSD and the City are paying the appropriate share of the expenses.

I would like to propose that the City purchase the TRSSD owned equipment, with the exception of the large "big yellow" snow blower. This would greatly simplify the tracking and management of the equipment. We have had two equipment companies complete cost appraisals of the equipment and the average cost they provided is in the table below.

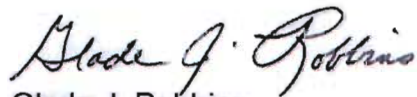

Vehicle Number	Description	VIN	Estimate of Value	Current Mileage or Hours
136	2000 Cat Loader	X6XR02170	\$30,000.00	7,327
136 A	2002 Fair Snow Blower	C88FMJD20102	\$13,000.00	238
116	2003 Int. Bobtail 4X4	1HTWEAAN63J071362	\$22,500.00	41,517
159	2006 GMC C8500 4X4	1GDP8C1306F411496	\$22,500.00	18,184
16	Target Saw	478003	\$2,500.00	2,465
19	2006 DR Bushmower & Blower	ATM098143	\$1,800.00	
176	2008 Sterling Bobtail	2FZAAWBSX8AZ74316	\$26,000.00	24,373
129	Trackless MT6	1051	\$17,500.00	1,480 Miles 387 Hrs
108	2013 Int. 10 Wheeler	1HTGSSJT9DJ337654	\$95,000.00	15,658
Total			\$230,000.00	

The following two vehicles have reached the point where additional repairs are not economically viable and we recommend that they be sold. Draper City uses public auction companies to sell surplus vehicles and would suggest the TRSSD do the same.

122	2000 Int. 4X4 Bobtail	1HTSEAAN3YH663511		23,139
153	2005 Int. Bobtail	1HTGSSJT9DJ337654		31,714

Please review this information with your board and see if they are in agreement with this proposal. If your board approves, we will present this information to the City Council for their review and approval. If you have questions or need additional information, please let me know.

Sincerely,

Glade J. Robbins
Public Works Director
