

## Draper City Mayor's Youth Council Disclosure

Thank you for committing to serve on the Draper City Mayor's Youth Council (DCMYC). We look forward to working together to fulfill the vision for the DCMYC of empowering, educating, and involving youth in their local government by providing opportunities to be a voice of their peers to elected officials at the local, county, state and even national levels, as well as organize and lead service projects for their community's youth. Please review the following expectations for success in serving on the DCMYC:

**1. Leadership Behavior** (student initial) \_\_\_\_\_

I understand that my behavior should honor, respect and be exemplary to the other members of DCMYC, Draper City, and our community. I understand that I am expected to obey every law governing our land and uphold the standards of good citizenship. I understand that I am expected to use respectful language and conduct with other council members, advisors and community members. I understand that I am here to learn and practice leadership skills and will work cooperatively and kindly with others.

**2. Attendance** (student initial) \_\_\_\_\_

I understand that I am expected to attend and actively participate in all activities and be responsible to keep myself aware of the DCMYC calendar events. I agree to organize my personal schedule according to Draper City Youth Council calendar beforehand so I can attend, be on-time and do my part to serve and participate, in order to earn qualifications for special events participation including State Legislative Day, Utah State Leadership/ or Local Conference, Year End Awards and Celebration Dinner (during May) and receive positive references from advisors. If I am unable to attend an event, I will get approval from DCMYC leadership and advisors.

**3. Communication** (student initial) \_\_\_\_\_

I understand that I am responsible for making sure I provide proper information for how I can be reached and, as a leader, not require my parents to communicate for me and to take initiative to communicate with others. I understand that having my own email address is vital, preferably a gmail address so I can learn to use Google Docs for signing up for activities/events. **I commit to be able to be reached by email and texts.** I will regularly and personally check my emails/texts and respond to these in a timely manner.

**5. Photo Release** (student initial) \_\_\_\_\_

I understand that participants in DMYC are sometimes photographed and videotaped for use in public relations, historical or educational purposes. I authorize Draper City to record and photograph my image and/or that of my child for use by DCMYC. I understand that these audio, video, film and/or print images may be edited, duplicated, distributed, reproduced, broadcast and or/re-formatted in any form and manner without payment of fees.
